2014 spring/summer collection

# PRETTY IN PINK TARTAN

With pastel pinks, patterned whites and bold chevron, Pink Tartan's spring-summer 2014 collection is the light at the end of our long winter tunnel

**T**here is a shock of white as the music cues in and the first of the newest Pink Tartan collection moves dreamily down the runway. It feels appropriate that winter's most despised colour features first in a spring line, transporting us out of dark days and thick knits into a season full of short suits, flowy dresses and pretty prints.
